Honorable Luther H. Hodges, Governor of North Carolina

The Racine Chamber of Commerce

Annual Dinner Meeting

Memorial Hall

May 1, 6:30 P.M.

Public Invited

Speaker the Honorable

LUTHER H. HODGES

Governor, State of North Carolina

"A State Governor Looks at Industry"

Hear a stimulating story by a businessman governor, who recently conferred with President Eisenhower on the current business slump.

Governor Hodges will tell how his state reduced taxes and created a favorable industrial climate for modern industry.

This is not a political speech. Governor Hodges has no political ambitions that would affect our city or state. He comes to Racine on this occasion at our invitation with the willingness of a dedicated American to share with Racine citizens the success of his state in encouraging industrial development.

Because of the importance of this message, the Chamber of Commerce is opening this meeting to the entire community. The address will be of interest to every man and woman concerned with the future of Racine.

It is an opportunity to show your sincere interest in your city.

**Music by Members of the
Racine Symphony Orchestra**

**Special Guest
Honorable Vernon W. Thomson
Governor of Wisconsin**
